

Leadership Programme for TAC Councils

Track 2: Strategy Development & Sustainable Governance

Date: 5 August 2026 | Time: 9:00am – 1:00pm (4 CPD Hours) | Venue: SBF

Trade Associations and Chambers (TACs) are central to advancing industry development, representing member interests and shaping Singapore’s economic landscape. As expectations on TAC governance and leadership rise, council members must be equipped to provide strategic direction, strengthen council-management dynamics and ensure long-term sustainability.

This track of the **Leadership Programme for TAC Council** series focused on **Strategy Development and Sustainable Governance** equips council members and senior management with practical insights and tools to steer strategic priorities, embed sustainable governance practices and enhance organisational impact in a rapidly evolving environment.

WHO SHOULD ATTEND

- Current, new or aspiring council members of TACs
- Senior management of TAC secretariat teams

WHAT YOU WILL ACHIEVE

 Anchor strategy in purpose and member needs	 Lead the strategy cycle effectively	 Balance governance priorities across priorities
 Strengthen council decision-making dynamics	 Set sustainability direction beyond compliance	 Enhance TAC credibility with sustainable governance

TESTIMONIALS

“ A good programme – every association council member should attend at least once during their tenure.

Danny Chua,
President, Association of Process Industry (ASPRI)

“ A comprehensive and succinct programme that managed to give very enriching and eye-opening insights on two very broad topics on what conformance and performance mean for TACs. Not an easy feat especially when TACs are very varied in their set-ups.

Joanna Wong,
Director, Singapore Chartered Tax Professionals (SCTP)
