

Current Topic
Board Leadership For Cyber Resilience

Target Audience	: Individual board directors, senior management, aspiring directors and interested professionals.
Date	: 4 April 2019
Time	: 9.00 am to 11.00 am
Venue	: One Raffles Quay, South Tower, #28-10
Cost	: SID Member : S\$60 (excl. GST); S\$64.20 (incl. GST) Non-SID Member : S\$90 (excl. GST); S\$96.30 (incl. GST)
CPD	: 2 hours

The session provides insight into how the global and local markets are governing cyber risks and resiliency. Cyber resiliency is critical to protecting an organisation's strategic operations. It is essential to keep abreast of the latest development in cyber risk management strategies and domestic and international regulatory landscape for managing and reporting on data security and cyber security risks which presents new compliance challenges for organisations.

Course Objectives

1. Understand the director's liability issues related to cyber security breaches.
2. Develop a framework for integrated cyber risk management.
3. Appreciate the impact people and organisational culture have on cyber security.
4. Explore key issues to consider when quantifying the financial impact of cyber risk exposures.

Programme

8.15 am	Registration (Breakfast provided)
9.00 am	Introduction
9.10 am	International Litigation and Regulatory Trends Affecting Directors' Liabilities on Cyber Risks
9.40 am	Case Study: A look at a financial services company which suffers significant data breach. Practical emergency response and remediation steps taken, and implications for senior management and insurance coverage
10.10 am	Case Study: A look at a shipping and logistics company which suffers significant cyber-attack involving forced collision. Practical emergency response and remediation steps taken, and implications for senior management and insurance coverage
10.40 am	Questions & Answers
11.00 am	End of Programme

Speakers

Francis Kean
Executive Director, FINEX, Global, Willis Towers Watson

Mr Francis Kean has 25 years of experience as a litigation lawyer specialising in professional indemnity, financial institutions and directors and officers liability in the London insurance market. He was responsible for the launch of DARCstar, the first broker derived primary D&O form. It won the Insurance Innovation of the Year Award in 2012.

Prior to joining Willis Towers Watson, Mr Kean was a Partner with Barlow Lyde and Gilbert LLP. He handled a wide variety of claims both for insurers and insureds, and has considerable experience drafting policies and advising all parties in connection with coverage issues. He has handled disputes ranging from the defence of large, international claims against professionals to multi-jurisdictional coverage disputes. He was the editor of a book on D&O liability insurance published by The Insurance Institute of London.

Jonathan Crompton
Partner, Reynolds Porter Chamberlain (RPC)

Mr Jonathan Crompton is a Partner in RPC's Commercial and Financial Disputes team. He advises companies and individuals on disputes and investigations involving their Asian operations, often acting on some of the highest profile cases where other lawyers are conflicted. He has worked in Asia for over 10 years, advising out of both Hong Kong and Bangkok on disputes across the region.

Mr Crompton leads RPC's cyber incident response team in Asia, and has advised multinational clients on cyber fraud, cyber-attacks, data privacy and law enforcement investigations. He has presented and published articles on data privacy and liability in the context of cyber security. Mr Crompton also acts as international counsel for technology and other companies facing regulatory investigations, data requests or other contentious proceedings with an Asian element. As a result he has built a strong network of law firms and other service providers upon whom he can call at short notice.

Jessica Wright
Cyber Leader, Asia, Corporate Risk & Broking, Willis Towers Watson

Ms Jessica Wright currently leads Willis Towers Watson (WTW)'s cyber insurance business for Asia, developing and implementing the regional strategy to align with the global cyber proposition. This includes the training and development of 15 cyber champions in WTW, executing education and awareness campaigns on cyber risk, and managing placements for large and complex cyber clients in Asia.

Previously holding the position of New Zealand Cyber Risk Practice Lead for Marsh before joining WTW in Singapore in July 2017, Jessica worked closely with the New Zealand government and other key stakeholders including legal, IT security and consulting to develop cyber-risk awareness in the New Zealand market. Jessica was responsible for Marsh's overall cyber strategy, including cyber insurance and risk management solutions.
