Board and Director Fundamentals is an ideal introduction to being a Director in Singapore. Whether you work in private companies or are new to listed entities, this course provides key information on the regulatory environment in Singapore and a broad understanding of the main statutory and fiduciary duties and responsibilities of Directors. It delves into the fundamental knowledge required to function as a Director and includes an overview of the corporate governance landscape in Singapore. It highlights some of the critical elements of disclosure including financial statements to monitor the performance of a company and other aspects of the board and director's responsibility such as strategy, culture and people.

The course will cover the following areas:

1. Key factors in the regulatory environment
2. Legislation affecting any company in Singapore
3. Director duties and responsibilities
4. Financial responsibilities of being a Director
5. An effective board
