This course is pending approval for VWOs-Charities Capability Fund (VCF) funding up to 7 Jan 2022. All exempt, registered charities and Institutions of a Public Character (IPCs) can apply for the VCF grant, and are required to submit the approval email from NCSS to SID via email to events@sid.org.sg. Registration is on a first-come-first-served basis, with priority to VCF-funded applicants.

CPD : 4 hours

Board Dynamics looks at how boards evaluate themselves in fulfilling their roles and responsibilities, and use the results of these assessments to enhance board performance. By reviewing their board structure, control processes, competency and diversity mix, boards are able to facilitate greater team cohesion and clarity of focus to achieve the nonprofit organisation's vision and mission.

Course Objectives

1. Analyse board composition and practices.
2. Examine the framework for board dynamics to understand boardroom interactions and relationships.
3. Understand the role of the chair.
4. Recognise the criteria for board evaluation.
